

COMBAT COOKIE CONNECTIONS

Our Mission

We are a veteran owned and operated 501(c)3 non-profit organization. We bake and ship fresh from the oven cookies to U.S. military members who are deployed overseas with a mission to increase their morale. Being away from the comforts of home can be emotionally challenging. Sending cookies is one way to bring the feeling of home to a deployed military member.

November 2024—Volume 35

Any non-profit organization relies heavily on their volunteers. When you come into the bakery you see the prepared cookies and cupcakes ready for you to purchase, have you ever wondered where they came from? We are proud at Combat Cookies of our volunteer base. We have a Wednesday morning cookie crew who are amazing and sometimes ask our awesome afternoon crew to come in. November is one of the busiest month as we prepare for many Veteran's Day events. We are proud that many have chosen to support our local veterans and Combat Cookies at the same time. It's a win-win. We are also invited to many of these events to share the stories of sending our boxes of cookies and love from home to our soldiers who are deployed. As our 40th President, Ronald Reagan, said in his 1967 Governor Inaugural speech, *"Freedom is never more than one generation away from extinction. It is not ours by way of inheritance; it must be fought for and defended constantly by each generation, for it comes only once to people. And those in world history who have known freedom and then lost it have never known it again."* We are so happy to see that businesses and schools in the area continue to honor and remember our veterans. THANK YOU! In the past two weeks our cookie crews have made almost 4500 cookies and bagged almost 1800. The veteran boxes we are selling have to have the cookies in bags. The cupcakes and cakes are made by Brandi Bass herself and many times, her mom, Sheila, comes in to help prepare those. Many hours are spent making those yummy and amazing creations.

We want to recognize our hard working volunteers, but to Maintain their privacy, we will only put their first names:

- Christine
- Kate
- Nancy
- Kris
- Donna
- Rebekah
- Jim
- Sue
- Sheila
- Shirley

Brandi and Brandon Bass you have created an atmosphere of pride in our military and that is so appreciated. You two are amazing leaders and amazing people!
